

We Have a Winner!

Amanda O'Neill, a 4th grade student in Ms. Kane's class at Charles Campagne was selected as a winner in the CAPS Bully Prevention Poster Contest. Her poster will be featured in the 2011-2012 CAPS calendar. This year 60 schools participated with over 1900 entries. Mrs. Marcucci, school social worker, arranged for CAPS (Child Abuse Prevention Services) to come to the school to present their Steer Clear of Bullies Program and was the liaison for the Poster Contest. CAPS offers direct support, resources, and solutions towards resolving bullying situations and helps to create safer learning environments in the schools. This is the third year in a row that a student from Charles Campagne was selected as a calendar winner! CONGRATULATIONS TO AMANDA!
