Nook Permissions and Acceptable Use Form

Introduction

The Barnes and Nobles Nook is a convenient, portable reading device. It is the size of a paperback and capable of holding hundreds of books. The chance to use this device is a privilege that we are able to provide to students provided that the students use extra caution and responsibility. Each Nook is valued at \$120.00. For this reason we require a parental signature before a Nook can be assigned to a student.

Parent Responsibilities and Permission

I am authorizing the assignment of a Nook to my child. I understand that it is to be used as a tool for reading and learning and that my child will comply with the JFK Acceptable Use Policy. I will help ensure the safe and timely return of the Nook within the loan period of two weeks; I also understand that I am financially responsible for any willful, malicious, or accidental damage to the Nook as well as any charges resulting from content downloaded to the Nook. I understand that my child may lose future loan privileges of the device if the Nook is either damaged or not returned in a timely manner.
