PIANO

LEARN TO PLAY PIANO—A Beginner's Course (Part I)

Mona Sanchick—30 Years Experience

Anyone who has patience and enthusiasm can learn to play piano. You will learn to read music and play at your own pace, while explanations and illustrations make it easy to learn the basic notes and chord patterns used for arranging songs. You can learn to play familiar songs from the first lesson. As you progress through lesson after lesson, you will develop your keyboard skills, discover a true understanding of the piano and learn the various ways a song can be played by using different arrangements. This course is for beginners with no prior knowledge of the piano. **Material Fee \$18.50—(Beginners course book and chord chart). Limit to 8 Students**
